

Rainy Day Format for HGSGA Weekly Events

- If we decide to cancel an official event:
- We will look at the weather forecast & conditions the morning of the event, and if we decide to cancel the **Official Event** then you will receive an email **NLT 7:00am** notifying you. If you do not receive an email, then assume the official event is on.
- If the Official Event is cancelled and the course is open, then:
 - Whoever wants to play can show up and they will be sent out using either our Shotgun Start reservation or if a limited number of players then off the 1st tee- subject to any delays from the pro shop
 - We will try to keep the assigned foursomes together and shuffle individuals within the groups to accommodate no shows.
 - Players can decide within their own foursome what type of game they want to play.
 - Golf Genius will not be used,
 - Players are to post their own scores to GHIN
 - There will be no collection of the \$5 prize money.

In general, we will make every attempt not to cancel, however, key events such as Championship Series, Match Play Opening Round and 2Man qualifiers will most likely be cancelled due to poor weather forecasts and played on alternate days.

MISGA Home Events will be cancelled by the MISGA Rep. You will be notified by one of the Hobbits Team via email once he makes the decision. If we cancel the event, we will allow for home play using the Shotgun Start and the blocked-out tee times, weather permitting.

MISGA Away Events are subject to the host club's weather policy. You are responsible for checking it on your own. Do not assume the mixer is cancelled, you do not want to be a No Show. Many times, our MISGA Rep is alerted, however this is not always the case. If you do decide to cancel you need to call the host club pro shop and let them know, you can find their number on the MISGA.org
