

How to Sign Up for Events

For 2026 we will be using Golf Genius for all sign-ups, both Home Events and Away MISGA Events. We have been testing the changeover during the Winter Golf Sign Period, and it is working fine.

Signing up works as follows:

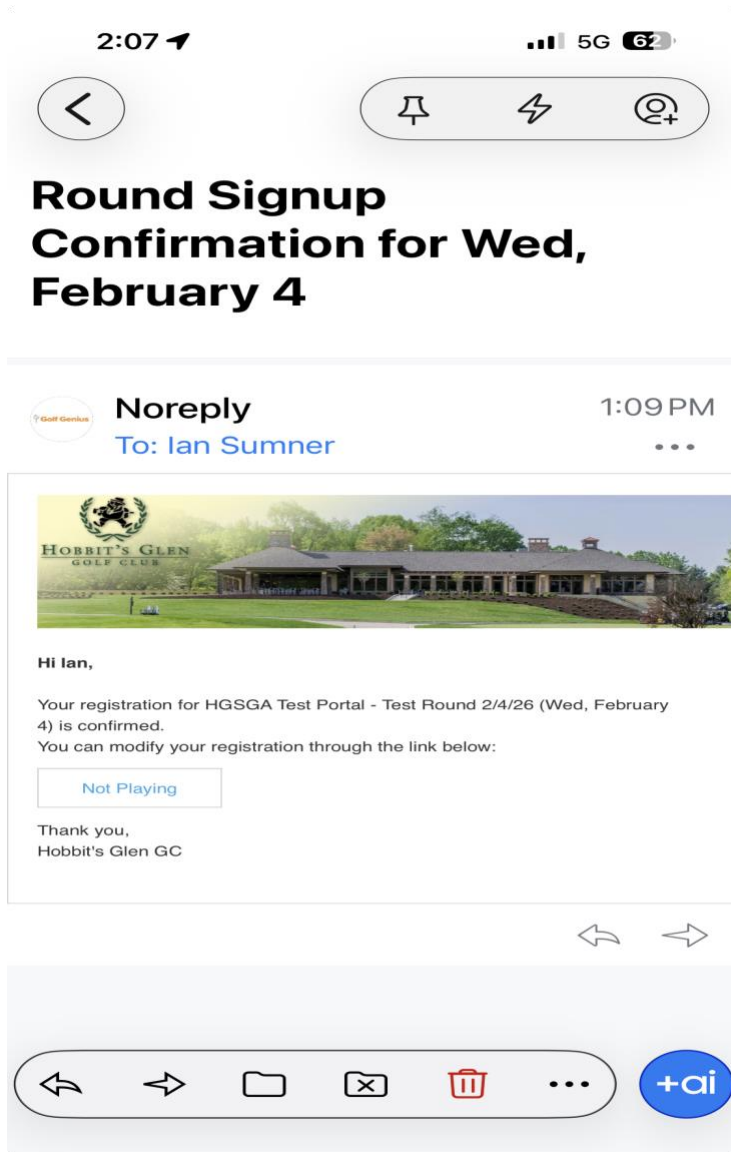

Each week you will receive an email announcing the sign up for an event is now open. You then choose either “Playing” or “Not Playing”

Upon making your choice, you will next receive a follow up email asking you confirm your choice and, if other information is needed to complete the form. (Example, riding or walking) and/or (listing a playing partner in 2Man events).

A mobile app screenshot showing a sign-up form for a 'Test Round' on Wednesday, February 04, 2026. The form is for Ian Sumner (Member) and includes fields for Email (sumner115@gmail.com), First name (Ian), Last name (Sumner), and a selection for 'Riding or Waling, select one' with radio buttons for 'Riding' and 'Walking'. There is also a 'Playing Partner' field. At the bottom, there is a 'Send message to manager' button, a checkbox for acknowledging terms and conditions, and 'Cancel' and 'Sign Up' buttons.

Once you complete your sign up, you will receive a confirmation email. If you want to change it to Not Playing, simply click on the box.

You can also log onto the Golf Genius App and you will be able to check your status.
